## Choose the best liner for your job!

Here are our most common liners and their suggested uses...

### Flat Bags

Used for storing parts and protecting objects from dust and moisture. Commonly used to store small parts, food, metal fasteners, hardware, auto and medical parts.

### Gusseted Bags

Used to store bulky items, food storage bags, can liners, drum liners, box liners, injection molded parts. Large gusseted bags are used for Gaylord box liners, pallet covers, bin liners, bulk food & meat storage.

### Printed Bags

One color, random repeat print liners are offered in stock and custom sizes. Various sizes, colors and strengths are available. Printed bags are commonly used at schools, colleges, retail outlets and other locations to minimize bag waste.

### Food Bags

Made with FDA approved resins. White/Blue FDA color are also available.
